

Against the Panzers: United States Infantry versus German Tanks, 1944-1945: A History of Eight Battles Told through Diaries, Unit Histories and Interviews

Eight World War II battles are examined here from the perspective of the U.S. Army infantrymen who were facing German Panzers. The battles were chosen from those fought from August 1944 through January 1945, a time of rapid advances and intense combat. They include a variety of engagements: river crossings, defensive operations, assaults on towns, and others.
