

Ben le Vays Eccentric Britain (Bradt Travel Guides)

Ben le Vay?expert on all things eccentric?reveals the quirky gems hidden throughout Britain: hotter than the spice girls everywhere, Norfolks fascinating Mustard Museum; Devons Gnome Reserve, home to over 1,000 of Britains beloved garden characters; or the fourth Earl of Dunmores home, The Pineapple. Ben le Vays Eccentric Britain is Bradts best-ever complication of the weird and wacky things the British do, from bog snorkeling and chimney peeping, to mud marathons and cheese rolling. Encompassing eccentric pastimes, aristocrats and bizarre last wishes, its is both a humorous and entertaining read, as well as practical guide to some of Britains most peculiar and unexpected monuments, gardens and museums.
