

Inisfada

Inisfada which means Long Island in Gallic has been written to capture the time line of Mr. and Mrs. Nicholas Genevieve Carroll Garvan Brady. Papal Duchess. Mrs. Brady was a woman great means and tremendous generosity Holy inspirational vision and hope to people throughout the world. The book covers her work from WW1, WW2, Great Depression, Spanish War and much more. The book also covers some topics of interest related to key events such as the sinking of the Titanic and the illuminati theories of the Federal Reserve. Mrs. Brady was and remains the highest decorated Catholic Woman in America. She worked very closely with the Catholic Church, The Jesuits the Vatican and Presidents during very difficult times. This is a must read book for all woman who hold Jesus close to their hearts and Womens rights at the for front of all that is good in the world. This book is very thought provoking for anyone who is interested in the illuminati theory of the Holy Grail. See www.Inisfada.org for more information.
