

Haunted Land: The Devils Backbone 3

Haunted Land: The Devils Backbone 3 is the third in this popular Texas series of ghosts, the supernatural and the mysterious. It picks up where Ghostly Chills: The Devils Backbone 2 and The Devils Backbone: Ghost Stories from the Texas Hill Country left off. This volume brings the reader 20 more mysteries including A Childs Handprint, The White Buckskin, Mystical Lady, and many more.

Bert Wall, a fifth-generation Texan, grew up in Houston where he graduated from the University of Houston with a degree in history and political science. But he also spent a lot of time growing up in the Texas Hill Country where he heard the stories and folklore that permeated the area. He started gathering and documenting the stories of supernatural occurrences that took place on or near the Devils Backbone, a rugged area between the towns of Blanco and Wimberley. In the 1980s Wall started writing about the spooky tales of the area, such as The Mystic Herd, The Mystery Riders, and The Haunted Valley. His stories have been published in the Canyon Lake Times-Guardian, the New Braunfels Herald-Zeitung and the Houston Chronicle. In 1996 four of his stories were featured on the CBS television series, Unsolved Mysteries.
