

## Graftons Point: A Single Title from Dreams & Desires, vol. 4

Seth Michaels arrives at Graftons Point, a sanctuary for those who need solace and time to work through their problems. He wants to heal himself after a bad relationship with his ex, Tom. Seth finds himself alone with the owner, Lucas Grafton, and together they work through some issues. Quickly at ease, Seth falls in love with Lucas, who also has issues he must deal with. Can Seth move forward now, putting the past to rest, or will Lucas fail to heal him? This is part of the anthology Dreams & Desires v. 4. All net proceeds from the sales of this story individually or in the anthology benefit A Window Between Worlds, a non-profit organization that provides art supplies and training for art as a healing tool free of charge to battered womens shelters.
