

Black Watch (Dutch Edition)

Tom Renouf is nog een schooljongen uit Schotland als de Tweede Wereldoorlog begint. Aan het einde van de oorlog is hij een jonge soldaat, wiens divisie een van de meest gezochte mensen ter wereld gevangen neemt: SS-leider Heinrich Himmler, de wrede rechterhand van Adolf Hitler. Vastbesloten sluit Tom Renouf zich aan bij de Black Watch, een van de eliteonderdelen van het Britse leger en van oudsher de brigade die de wacht houdt over de Schotse hooglanden. In Normandië moeten Tom en de andere rekruten het opnemen tegen de fanatieke Hitlerjugend. Na de Slag om de Ardennen heeft de Black Watch een belangrijke missie: de bevrijding van Nederland. Na een lange strijd, waarbij ze hulp krijgen van de Nederlandse bevolking, steken ze als een van de eersten de Rijn over. In Duitsland wordt de Black Watch geconfronteerd met de wreedste creatie van Himmler: concentratiekampen. Vastbesloten zetten ze de jacht voort op een van s werlds meest gezochte misdadigers. Tom weet hierbij een bijzonder souvenir te bemachtigen: Himmlers horloge. Het finest hour van de Black Watch is luttele dagen na Hitlers zelfmoord een feit, als de elite-eenheid erin slaagt Heinrich Himmler te pakken. Tijdens de zware gevechten raakt Tom Renouf gewond, maar hij overleeft de ontberingen en terreur. Hij promoveert in het veld tot luitenant en wordt na de oorlog voor zijn heldenmoed en verdiensten in de Black Watch onderscheiden met een Britse militaire medaille. Op basis van zijn ervaringen en interviews met andere veteranen heeft hij met Black Watch een meeslepend verslag gemaakt van de strijd, waarin veel van zijn kameraden gewond zijn geraakt of zijn gedood.
