

Bureaucratic Polity and Patronage (German Edition)

Studienarbeit aus dem Jahr 2000 im Fachbereich Soziologie - Kultur, Technik und Volker, Note: sehr gut, Rheinische Friedrich-Wilhelms-Universität Bonn (Fachbereich Sudostasienwissenschaften), Veranstaltung: Sudostasienwissenschaften - Thailand, 6 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: 1. Einleitung In dem in Gruppenarbeit von Jessica Ludwig und Anna-Katharina Wicke erarbeiteten Referat zum Thema Bureaucratic Polity and Patronage wird die Entwicklung der Machtstrukturen im siamesischen Regierungsapparat von Mitte des 19. Jahrhunderts bis Ende des 20. Jahrhunderts genauer beleuchtet. Die Referentinnen beziehen sich vornehmlich auf zwei Werke der jüngeren Thailand-Forschung. Zum einen ist dies das Werk Thailand: The Modernization of a Bureaucratic Polity von F.W. Riggs, zum zweiten das Working Paper von J.F. Guyot mit dem Titel The Bureaucratic Polity at Bay. Ziel des Referats ist die genaue Definition und verständliche Darstellung des Konzeptes der Bureaucratic Polity in Thailand. Wie sieht der geschichtliche Hintergrund aus, der das Entstehen eines solchen Machtverhältnisses initiierte? Inwiefern spielen persönliche Beziehungen bis hin zu patron-client-relationships in einer solchen Form der Staatsführung eine Rolle und wie hat sich die Bureaucratic Polity in den letzten Jahren in Thailand weiterentwickelt? Der Verweis auf das Verhältnis der Exekutive und Legislative in der BRD zu Beginn des Referates soll einen Vergleich zwischen den Machtstrukturen des sich im Modernisierungsprozeß befindlichen Thailands und der BRD heute ermöglichen.[...]
