

To Amend the National Security Act of 1947 to Provide a Uniform Framework for the Classification and Declassification of Information in the Interests of National Security. (Paperback) - Common

The BiblioGov Project is an effort to expand awareness of the public documents and records of the U.S. Government via print publications. In broadening the public understanding of government and its work, an enlightened democracy can grow and prosper. Ranging from historic Congressional Bills to the most recent Budget of the United States Government, the BiblioGov Project spans a wealth of governm...
