

My State History Funbook with Nebraska Activity Pages (State History from a Christian Perspective, Funbook, Nebraska)

My State History Funbook for Nebraska is a color-cut-and-paste project that provides fun activities for students between age 4 and 2nd grade as they learn about Nebraska. Your student will construct a colorful project notebook about Nebraska using My State History Funbook (a spiral-bound, pre-formatted scrapbook), color state symbol pictures and informational cutouts provided in the Nebraska Activity Pages, and pictures from free tourist literature. Instructions for obtaining the free tourist literature along with a simple Thirty-Lesson Guide for the teacher are included in the Nebraska Activity Pages. My State History Funbook is available for all 50 states and is correlated to our upper-level course, State History from a Christian Perspective (also available for all 50 states), so that students of all ages can be taught simultaneously if desired. My State History Funbook for Nebraska consists of two parts: My State History Funbook and the Nebraska Activity Pages. This course gives young students an introduction to Nebraska state symbols, history, important people, geography, weather, citizenship, state government, industry, agriculture, plants and animals, scenery, and recreational spots. Information presented in this course is in keeping with Christian values and Biblical morals and will promote patriotism and Christian character.
