

The Lords Day: Its Divine and Moral Obligation (Classic Reprint)

Excerpt from The Lords Day: Its Divine and Moral Obligation
The occasion of this work arose, about three years ago, in a discussion of its subject at a clerical meeting, I had not anticipated much diversity of opinion; and was greatly surprised at my error. I have some reason to believe that painful uncertainty is a too common state of mind, even where some degree of consideration has been devoted to the question of the Lords Day. The general impression, perhaps, in favour of its sacred observance, may have no better foundation than an early but unenlightened prejudice. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
