

Commentary on the Epistles of Paul to the Corinthians, Vol. 1 (Classic Reprint)

Excerpt from Commentary on the Epistles of Paul to the Corinthians, Vol. 1 That portion of the writings of Paul, to the elucidation of which the present work is devoted, occupies a very important place in the sacred canon. Besides containing some loca classica upon several of the most essential positions in doctrinal theology, such, for instance, as the Deity of Christ, the personality and agency of the Holy Spirit, the resurrection of the body, &c., the two Epistle to the Corinthians maybe regarded as constituting the great code of practical ethics for the Christian Church. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
