

## The History of the Reign of George III, Vol. 1 of 6: To Which Is Prefixed, a View of the Progressive Improvement of England, in Prosperity and ... Accession of His Majesty (Classic Reprint)

Excerpt from The History of the Reign of George III, Vol. 1 of 6: To Which Is Prefixed, a View of the Progressive Improvement of England, in Prosperity and Strength, to the Accession of His Majesty To enlarge on the magnitude of the subject on which I have ventured to write, would be unnecessary, and might be unwise. Every reader must know, that the sera is eventful and interesting: an expatiation, therefore, on the greatness and importance of the theme, would only manifest the imprudence of the choice, should the execution prove inadequate. I am fully aware, that many votaries of historical literature deem it more difficult to write a history of present times, than of remote transactions: experience, however, does not confirm the opinion, as some of the most authentic and impartial works have recorded events which passed during the lives of the authors. Citation of instances would be superfluous, both to classical and modern readers. The writer who is competent to the task of composing a history, may execute the work on a cotemporary subject, as easily as on any other. The peculiar difficulty belonging to a performance of this kind, is to avoid prejudice and partiality; yet it is no more impracticable for an historian to deliver the truth respecting living characters, than for a witness to deliver faithful testimony according to the best of his knowledge. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of

imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
