

The Oxford Degree Ceremony (Classic Reprint)

The illustrations, with which the Clarendon Press has furnished the book, are its most valuable part. Every Oxford man, who cares for the history of his University, will be glad to have the reproduction of the portrait of the fourteenth-century Chancellor and of the University seal. I have to thank Dr. Rashdall and the Rev. Andrew Clark for most kindly reading through my chapters, and for several suggestions, and Professor Oman for special help in the Appendix on The University Staves J. W. (Typographical errors above are due to OCR software and do not occur in the book.)
