

The constitutional and parliamentary history of Ireland till the union

Excerpt from The Constitutional and Parliamentary History of Ireland Till the Union I purpose in this book to give a general view of the leading facts and characteristics of Irish Constitutional and Parliamentary History before the passing of the Act of Union. I have endeavoured to present, in a comparatively small compass such a description of the Irish Parliament and the working of governing institutions in Ireland as will place within easy reach and in handy form information of the salient features of the rise and progress of the Irish Constitution, just as information of the salient features of the rise and progress of the British Constitution, of which the Irish Constitution was first a counterpart and subsequently an inversion is within easy reach and in handy form. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
