

The Road to Terror (Annals of Communism Series)

Now updated with new facts, and abridged for use in Soviet history courses, this gripping book assembles top secret Soviet documents, translated into English, from the era of Stalins purges. The dossiers, police reports, private letters, secret transcripts, and other documents expose the hidden inner workings of the Communist Party and the dark inhumanity of the purge process.[This] book will be of great value to students of the Terror and . . . the material, such as Bukharins last letter, is astounding.Michael J. Ybarra, Wall Street JournalIt will be indispensable for all historians and researchers of communism, the USSR, and Stalinism for many decades to come.Roy A. Medvedev, author of Let History Judge
