

Strong economic growth in the majority of Asian countries has failed to bring significant benefits for indigenous peoples, and indeed levels of poverty and dispossession of lands and resources are rising. This compilation of analytical studies seeks to examine the development policies of agencies and organizations from a human rights-based perspective. It is the first step in a dialogue process that seeks to identify modalities for constructive engagement with indigenous peoples.

East of Suez: Ceylon, India, China and Japan [1907], Curiosities Of Literature, Volume 3..., The Bozeman Trail, Das Leben der Aborigines als Teil der Natur (German Edition), Chitin and Chitosan Derivatives: Advances in Drug Discovery and Developments, Lollardy and the Reformation in England, 1908, Vol. 3: An Historical Survey (Classic Reprint),
