

# Understanding Hitler

The question of why is often asked when the name of Hitler is heard. People watch documentaries on television that show what he did and when, but they never explain why. This new audiobook explores Hitlers motivations and the needs of the people of Germany that catapulted Hitler to power. You can finally understand why the people of Germany would follow Hitler, not because they were forced to, but because they wanted to. You will also discover what drove Hitler so passionately and why he truly believed he was saving the world.
