

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The One Primeval Language Traced Experimentally Through Ancient Inscriptions in Alphabetic Characters of Lost Powers from the Four Continents: ... of Patriarchal Tradition from the Monumen, Modern Architecture - the Architecture of Democracy, Economy and Society: A Study in the Integration of Economic and Social Theory, American Cultural Studies: A Reader, The Future of Work: A Guide to a Changing Society, Uppenbarelses, Volume 2... (Swedish Edition),
