

# Weird Kentucky: Your Travel Guide to Kentuckys Local Legends and Best Kept Secrets

Best Travel Series of the Year 2006! Booklist What's weird around here? That's a question Mark Moran and Mark Scurman have enjoyed asking for years and their offbeat sense of curiosity led them to create the bestselling phenomenon, Weird N.J. Now the weirdness has spread throughout key locales in the U.S. Each fun and intriguing volume offers more than 250 illustrated pages of places where tourists usually don't venture its chock-full of oddball curiosities, ghostly places, local legends, crazy characters, cursed roads, and peculiar roadside attractions. What's NOT shockingly odd here: that every previously published Weird book has become a bestseller in its region.
